Child's Name: _____

page 2

EDUCATIONAL INFORMATION

School: _____

Current grade : _____

Specific or special concerns about your child's handwriting &/or fine motor skills? _____

Sample of handwriting attached: _____

Please provide us with a sample of your child's typical writing quality in the style you are requesting for the program (either printing or cursive). Fax & scan copies are accepted. However quality is usually best if hand delivered or mailed to the office, esp. when writing is in pencil.

***Please submit \$25 registration fee, course tuition, and a sample of your child's handwriting, along with this form 2 weeks /14 days prior to the start of sessions, to assure your child's place in the handwriting program.**

I understand that the sessions provided in the 8-week individual tutoring offered here are purchased as a group of sessions. Should my child be unable to attend a session or sessions, my child will NOT be provided with a make-up session. However, I will be provided with the materials to make up the content of the class. Attendance at all of the 8 sessions provides best possible outcomes.
